Properties

Angled handle with WARM TOUCH shower holder

- Rails arranged vertically and horizontally, Rods connected at right angles with shower head holder
- Made from high-quality chrome-optic coated polyamide with a warm feel
- Shower holder made of high-quality polyamide in HEWI colour 92 (anthracite grey)
- With continuous, corrosion-resistant steel core
- Vertical length 1250 mm, Horizontal length 600 mm, 90 mm deep, Rod diameter 33 mm
- Wall connection with filigree supports straight to the wall (diameter 18 mm) and flat rosettes
- Rosette diameter 80 mm, cap height 13 mm
- Shower head holder can be continuously tilted and, after pulling or pushing a large lever, its height can be adjusted
- Conical adapter on shower head holder makes it easier to hook in the shower head
- Suitable for hand showers from various manufacturers
- Simple installation thanks to individually mountable fastening plates made of high-quality stainless steel for attaching the angled handle
- Can be mounted on the right and left side
- tested up to 200 kg when used with HEWI fixing material
- Recommended maximum weight of the user: 150 kg
- including corrosion-free HEWI fixing material
- Fulfils the ÖNORM B1600/1601 and SIA 500 requirements
- Please note when using with suspended seats: Compatibility check required.
- A detailed list of the possible combinations of grab rails, Angled rails and shower handrails with matching hanging seats can be found in our online catalogue in the download area of the respective product.
