

Technical drawing of a 90-degree elbow fitting. The drawing shows two views: a side view (top) and a front view (bottom). The side view shows a vertical pipe with a horizontal branch. The front view shows a horizontal pipe with a vertical branch. Dimensions are given in millimeters (mm).

- Side View Dimensions:**
 - $A1$: Total height of the vertical pipe.
 - 115 : Distance from the bottom of the vertical pipe to the center of the horizontal branch.
- Front View Dimensions:**
 - $W1$: Total width of the horizontal pipe.
 - 189 : Distance from the center of the horizontal pipe to the center of the vertical branch.
 - 180 : Distance from the center of the horizontal pipe to the center of the vertical branch (slightly different from 189).
 - $W2$: Total width of the vertical pipe.
 - 56 : Distance from the center of the horizontal pipe to the center of the vertical branch (slightly different from 189).
 - 89 : Distance from the center of the horizontal pipe to the center of the vertical branch (slightly different from 189).
