

CLASSIFICATION OF ITEM NUMBERS

	162	P	C	M	01.	2	3	0	90	
										Polyamide colour e.g. 90 (jet black) Powder-coating surface e.g. DC (black matt) PVD surface e.g. LP (brass brushed)
										Knob 0 = No knob
										Rose 3 = mini round rose
					Lever handle model					1 = Lever handle 270XAM, 270XPM, 270XVM 2 = Lever handle 162PBM, 162PCM, 162XAM
				Fitting type						01. = Standard door fitting 02. = Vacant/engaged fitting 06. = Lever handle (pair) with roses
				Technology						M = mini roses
				Surface lever handle						A = Matt (stainless steel) C = Glossy (polyamide) P = Powder-coating (stainless steel) V = PVD coating (stainless steel)
				Material						P = Synthetic material X = Stainless steel
System Range	162 = System 162 270 = Range 270					Polyamide, matt edition, stainless steel, powder-coating Stainless steel, powder-coating, PVD coating
